To Everyone in our Church Family at Christ Church Bexleyheath

### **Church during the Coronavirus Outbreak**

I do hope that this letter finds you well. Our thoughts and prayers are for everyone in our church family at this time, that we all remain well and healthy, especially those with health conditions and those who are frail and vulnerable.

In Holy Scripture God has a way of being discovered in the strangest of places (e.g. the desert) and in the most unexpected of situations and people. It is so often in the struggles of life that we know in a deeper way the presence and grace of God in our lives. My prayer for us all at this time, when we cannot gather together, is that in some way or another we might grow in faith and love.

The accompanying booklet is something that you can use on your own in homes to pray in the morning and in the evening. I will also be using these orders of service for our streamed services via the internet and I hope you will join in at home with the saying of the Psalm, the prayers and responses.

If you need any help to “get online” and access the live streaming church services please let me know and we will do what we can to support you.

During this time, we are trying to ensure that everyone in our church family is cared for as best as we can. We are setting up a number of ‘care groups’ each with a care group leader. We will allocate every church member to one of our ‘care groups’ and the care group leader will make regular contact by phone with everyone in their group to ensure we understand how everyone is getting on, and if there are any practical needs that we can help with. We will be contacting you in due course by phone about this.

If you need help in any way please let me know.

Many blessings,

*Trevor*
